

This walk is one of a number of walks promoted by Great Coates Village Council.

These walks have been chosen, and all walked, prior to publishing to showcase the countryside, industry and what's available close to our village.

Walks have been combined with enjoying a drink or meal at a local pub and some walks utilising the train service from Great Coates.

Keep checking our website for further walks or like our Facebook page to obtain information when new walks are published.

The Route

Boarding the train at Great Coates you will arrive at Stallingborough in 6 minutes. As you leave the railway station, turn right and after a very short 4 minute walk you'll arrive at The Green Man public house.

Enjoy a meal and a drink before starting the very pleasant walk back to Great Coates.

Leaving the pub, turn right and walk on the right hand side heading out of Stallingborough. As you walk out of the village look out for Carr Lane, bearing off to your right. If you walk over the motorway - turn back - you have gone too far !

1 As you walk along Carr Lane, you'll pick up the public footpath which will take you out into the peaceful fields. The well used path is easy to follow arriving into Healing after around a 30 minute walk.

2 On arrival in Healing, walk through the railway crossing turning left into Ashleigh Court. Keep to your right and follow the public footpath signs, going to the right hand side of the houses.

Walking around the back of the houses, after a few minutes it will open out into the Royal British Legion grounds.

3 Keep to your left walking towards the far left corner where you'll come across an opening taking you back into the open fields.

Continue walking ahead picking up the footpath which cuts across the field towards the A1136.

4 As you approach the A1136, climb up the steps, negotiate the road before stepping back into Great Coates.

5 Follow the footpath until you come to a wooden footbridge.

Turn left here, not crossing the footbridge and follow this path turning right, through the gates and onto Cooks Lane.

At the end of Cooks Lane, turn left into Station Road which will take you back to your starting point at the station.
